BLUE-EYED grass in the meadow
And yarrow-blooms on the hill,
Cattails that rustle and whisper,
And winds that are never still;

Blue-eyed grass in the meadow,
A linnet's nest near by,
Blackbirds caroling clearly
Somewhere between earth and sky;

Blue-eyed grass in the meadow,
And the laden bee's low hum,
Milkweeds all by the roadside,
To tell us summer is come.
